

Westland ONLINE ACCESS GUIDE

Free Methodist

Did you know, you can access our whole worship experience online? If you are sick, just can't make it out that week, or worried about things like snow and ice, we have options to keep you connected! Whether you want to use a computer, web browser on your phone, our church app, or the YouTube or Facebook app, we have a way for you to get a great worship experience. In this document, we'll give an overview of the features of each option so you can decide what works best for you.

COMPUTER OR WEB BROWSER

All of our options are located under the "Stay Connected" tab on our homepage of westlandfmc.com. There is the **"join us live"** link that goes to westlandfmc.com/live. This will allow you to watch the sermon live and fill out your connection card. There is also a **"sermons and more"** link that will give you access to that morning's live video, the bulletin for the day, and a sermon audio file later that week. Another page is our **"financially support WPMC"** page. There, you can continue your wonderful generosity that allows us to build disciples and to reach so many people with good news of Jesus' love for them! Then there is our **"prayer request"** page. This allows you to both submit requests and pray for the requests of others. *Connection card prayer requests are the ones that will be included in our Monday's email prayer list, and requests through the prayer request page will go directly to the prayer wall.

Join us this Sunday @ 10:30am live!
(You can experience us live right here on this page, on our [YouTube Page](#), [Facebook Page/App](#), or through our Church App. For a handy guide, [click here.](#))
