I/We want to know more about WFMC.

Westland Free Methodist Church ~ westlandfmc.com ~ July 19, 2020

In the closing remarks of 1 Peter, we are given some direct insights into how to persevere in times of suffering. We hope God's words to us and our time together will strengthen and encourage us in the days to come as we walk through these crazy times together! ~ Pastor Tyson

Friendly reminders from the CDC on how to keep each other safe:

Worship from home if you have any symptoms of illness

Keep those hands washed

Love one another from 6ft. apart - Social distancing

"Consistent with guidance from the CDC, congregants are strongly encouraged to wear face coverings during religious services."

We are so thankful to be able to meet together for Worship.

We have been working for months to take every precaution to assure the safest experience possible as we return to Westland FMC. However, we understand that being anywhere in public these days involves a level of risk. To help make your decision about whether or not to attend service in person, see our Welcome Back plan at www.westlandfmc.com/welcomeback/

We look forward to seeing you!
