Westland Free Methodist Church ~ westlandfmc.com ~ August 16, 2020

Hope...when appropriately placed, it can lead to a level of courage that can inspire us to face anything knowing victory is certain. This morning we'll talk about how to tap into that sort of hope. ~ Pastor Tyson

Praise and Worship songs for today:

I Have a Hope, King of My Heart, Another in the Fire, My Hope is in You, and Blessed Assurance

We've experienced the "stones" of harmful things thrown at our hearts, that leave pain, scars and memories that cause us to want to avoid the stones and run the other way. Some stones may be health issues, depression, anxiety, relational challenges or financial struggles. Many of our stones occurred in childhood. Too often we were silenced by the stones and hardened.

REDEEMING STONES Conference

See how those stones can be transformed by God to become significantly useful, and bring about strength, beauty and purpose.

We are so thankful to be able to meet together for Worship.

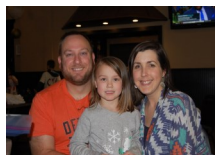

We have been working for months to take every precaution to assure the safest experience possible as we return to Westland FMC. However, we understand that being anywhere in public these days involves a level of risk. To help make your decision about whether or not to attend service in person, see our Welcome Back plan at
