- I/We want to know more about WFMC.

What is it that carries us through the toughest of times? Daniel experienced trials on a scale that would put what many of us go through to shame. Yet despite it all he thrived and grew in his walk with God. This morning we'll explore some of the keys that helped Daniel thrive in Babylon. ~ Pastor Tyson

*Dear Church Family,
We have talked quite a bit over the last few months about how much your faithful giving of your time, talents, and resources has impacted our community during this difficult season. Our community is a better and more hopeful place because the people of WFMC live and serve here.*

Our families also wanted to take a moment to let you know how very much it means to us as well. Our desire has been to raise our kids, follow Jesus, and serve our community with all of you for a great many years. Your generosity in this season continues to make this possible. It has also greatly minimized the sort of stress on our families that many pastors are feeling around the country.

Our families cherish getting to walk through the highs and lows with all of you; you really are exceptional. We can't begin to thank you enough for the love and security we feel as you continue to bless us in so many ways. We love you all so much, and are excited to see what God has in store as we continue growing and serving together!!

*Love in Christ,
The Nofzinger and Rose families*
