WHAT'S NEXT?

As we continue our series "What's Next" we look at finding purpose. God created us "on purpose" to love Jesus and to live out that love to all we meet. This is not always easy to accept or live out, but only possible when we lean on God. We were all created with gifts to use for God to bless and love others. With these gifts, we become a cohesive unit of unconditional transformational love that dispels the fears, anxiety, and anger that plagues our culture. Remember, we are on the same team, with differing gifts, for one purpose. That is to see people as Jesus sees them: deeply loved, in need of true peace that only comes from the Father. ~ Pastor Eric

Currently, with many schools beginning to open for in-person learning, we are beginning the conversations about what it might look like to re-open our Sunday morning kids ministry.

We are keeping up to date with local schools' decisions and the advice of our Southern Michigan Conference of the Free Methodist Church, state and local health officials, and the CDC.

In order to gauge families' comfortability levels as we develop policies and protocols, please take a few minutes and fill out a short survey by going to westlandfmc.com/kids.

It is our hope that our Kid's Quest and nursery on Sunday mornings during worship, would be able to resume in the next several months. This would include taking necessary precautions, adopting protocols, possible changes to classroom layouts, and may include combining grades.

Please pray for all of the details, and let us know if you are interested in helping minister to our kids.

God is continuing to move at WFMCI! None of us could have anticipated the chaos that this year has brought, but we continue to press on and reach people for Jesus, as we strive to adapt to these ever changing times.

The last 8 years around Thanksgiving we have taken up a special one time offering that has helped us improve our reach into the community as well as enhance our ability to minister on-site.

As we prayed and listened to stories this year, our team felt led to give the entire 2020 Harvest Offering to help people who are suffering around the world.

While we have challenges here, we felt God was calling us to do what we can to help feed those who are unable to consistently get a meal.

We have connected with FMC leaders from Africa, Asia, and at ICCM to determine where those needs are.
