Westland Free Methodist Church ~ westlandfmc.com ~ November 22, 2020

WHAT'S NEXT?

As we close out our What's Next series, we want to focus on making a difference. Sometimes it can be easy to forget that we have been placed on this earth not to "eat, drink, and be merry", but to have a lasting impact on the lives of others. May God light a fire in our hearts and direct our steps for His glory! ~ Pastor Tyson

Harvest Offering 2020
Sunday November 22

The 2020 Harvest Offering will go to help people around the world who are suffering food insecurity from this pandemic.

While we have challenges here, we felt God was calling us to do what we can to help feed the hungry.

We have connected with FMC leaders from Africa, Asia, and at ICCM to determine where we can help..

SEED partners with holistic livelihood groups connected to churches around the world to do micro-enterprise that makes sense in their local communities.

"We collaborate with artisans using their hand-crafting skills to overcome poverty, slavery, and/or disability to create sustainable livelihoods that are giving new life to individuals and families."

Monetary donations also help empower livelihood groups, providing equipment such as sewing machines, training, and work space.

Currently, with many schools beginning to open for in-person learning, we are beginning the conversations about what it might look like to re-open our Sunday morning kids ministry.

We are keeping up to date with local schools' decisions and the advice of our Southern Michigan Conference of the Free Methodist Church, state and local health officials, and the CDC.

In order to gauge families' comfortability levels as we develop policies and protocols, please take a few minutes and fill out a short survey by going to westlandfmc.com/kids.

It is our hope that our Kid's Quest and nursery on Sunday mornings during worship, would be able to resume in the next several months. This would include taking necessary precautions, adopting protocols, possible changes to classroom layouts, and may include combining grades.

Please pray for all of the details, and let us know if you are interested in helping minister to our kids.

WFMC you are simply amazing! We consider it such a blessing to serve alongside you. We are continually blown away by your generosity, love, and care for our families. Thank you for the many cards, gift cards, and kind words given to us during pastor appreciation month and throughout the year.

The Nofzinger Family and Rose Family

It is wonderful to Worship together! We continue to take precautions to assure the safest experience possible. Our congregation has been incredible in wearing their masks, social distancing, keeping the lobby a transition-only space, staying home when they have symptoms, and so much more. **"You are displaying such grace and mutual respect for one another."**

To help make your decision to worship at home or in person, go to www.westlandfmc.com/welcomeback/ We look forward to worshipping with you at WFMC or online!
