"No Apologies" is a timely topic for teens, as these years are crucial for developing a theology that will follow them for the rest of their lives. We'll meet each Sunday 6-8pm for any teens interested in diving a little deeper in their faith.

While today's society may seem unfriendly to matters of faith, we can rejoice because our God is a God of logic and reason. We can encounter each question and move forward with boldness, spreading the hope of Jesus one conversation at a time.

No Apologies explores the idea of apologetics, in which 1 Peter 3:15 instructs us to give a defense (apologia in Greek) for the hope for the reason that is within us.

Come join us as we dive into 5 weeks of faith building and practical ways to start conversations with others!

Dear Church Family,

What a year it has been! As we have sought to put others before ourselves each of us have made sacrifices. Those sacrifices and attention to matters of health and safety have paid off, as we have had zero transmissions of covid-19 from a worship experience in the last year!

As much of the country and the state of Michigan are moving forward with relaxed guidelines we want to update our approach to mirror best practices and what we have learned from the scientific community. Therefore, starting this week, here is our approach to masks and more:

Masks: We will be shifting our wording from *highly recommending masks* to stating that *masks are optional*. We desire to see people worship and fellowship as they feel comfortable based on their personal risk assessment.

Seating: With seating capacities increasing in a positive direction for indoor venues, and with our services being pretty packed out the last month, we felt like a change was in order. We are updating our seating in the sanctuary from under 30% capacity to around 50% capacity. We continue to see new guests on a regular basis, including 7 this last week! We want to make sure that there are enough seats for everyone while still allowing for some spacing of rows.

Health Screenings: We still ask that if you aren't feeling well and have symptoms of covid, the flu, strep, and more, you worship from home so that the rest of the church family can stay healthy. You have done such a great job at this, let's keep it up! Also on the health side, we will continue to maintain our hand sanitizing stations and utilize our halo fogger as appropriate.

As we have from the start, we continue to encourage folks to risk-assess for themselves and to do what makes them comfortable, while thinking about how their decisions affect those around them. We are so thankful as a leadership team that this congregation has been a model for what it means to love one another and has maintained unity in areas that have caused a lot of division in the body of Christ around the world. Thanks for your leadership, and may God continue to do more than we ask or imagine as we seek and serve Him together!
