We are making great progress on
Phase One of the renovations at
the Warren Road facility:

- We have new flooring, paint, and walls to convert the fellowship hall to a children's ministry and preschool wing. New tech equipment to come.
- We have a new wall to make a toddler room adjacent to the nursery and a new doorway to connect the two rooms. Next is painting the room and the bathroom.
- We've taken out two walls to open up the gym for the youth, other groups, and fellowships, and put in a new floor. Paint- ing the youth room comes next.
- We've added new lights with new wiring in the sanctuary to enhance the stage.

Thank you to all who have worked at Warren
Road to prepare the facility for ministry to
those who attend, and for outreach to those
who have yet to hear the good news:
