Praise and Worship Songs:

We Believe, Counting Every Blessing,
King of Kings, Is He Worthy?, and, He Reigns

In every month that has 5 Sundays, we set aside one of them as a Family 5s service. Family 5s services are an experience for every age group of our church family to connect with God and serve together. They are fun times to celebrate what God is doing in the lives of every generation. We hope that as every age group draws near to God together that the desire to pursue corporate worship follows our young people throughout their lifetime. On those days, we eat popcorn in church, take communion together, and find fun ways to incorporate the kids in worship!
