I/We want to know more about WFMC.

Mark 13 is a passage of Scripture that can be tricky and confusing. Some interpret the entire chapter as talking about the return of Jesus. Others say it only speaks of events that took place about 40 years after Jesus' death. We're going to land somewhere in the middle today, and see that there are lessons we can learn for how to live today as we wait for the return of Jesus. ~ Pastor Andy
