Westland Free Methodist Church ~ westlandfmc.com ~ June 25, 2023

Not every experience we've had hearing God, or hearing from others who have heard from God, have been positive experiences. If we don't process the baggage we carry, it will lead to us being skeptical that God really does speak or even fearful of the thought of Him speaking. Today we're going to look at mistakes we and others make or have made and how we can learn from those mistakes in a way that helps us to hear God more clearly. ~ Pastor Andy
